

Homework Tasks

Ancient Egypt

Investigate where the major pyramids are located and mark them on a map of Egypt. (Don't forget to add the Nile as a guide.) Can you identify the human/physical features?	Write a fact file about an Egyptian God or Goddess. Can you add a picture too?	Who was Cleopatra and what can you find out about her?	Write 10 questions that you would ask Tutankhamun.
Construct a pyramid – using any suitable materials e.g. lego, unifix cubes or sugar cubes etc.	Research a Pharaoh and create a fact file on them.	Find an Egyptian bread recipe and make it. How is it different from our bread? Do you like it?	Write some secret messages using Hieroglyphics.
Find out some interesting facts about Ancient Egypt and create a multiple choice quiz.	Create top trump cards using Ancient Egyptian Gods and Goddesses.	Research the importance of the River Nile and how it was used.	Free choice

English

Imagine you were there when Tutankhamen's tomb was discovered. Write a diary or news report about the event.	It is impossible to live without electricity? Consider how people used to live a hundred years ago. Think about your favourite ways to have fun. Think about important jobs around the home that do not require electricity. Write your argument.	Write an acrostic poem for a word from ancient Egypt.	Research the history of electricity. Who discovered electricity? How was it discovered? When was it discovered? What is electricity? How does it affect your life?
--	---	---	--

Science

Search around the house- how many different electrical appliances can you find?	Rank the electrical items in order of the most important to the least important in your home.	Create your own simple series electrical circuit identifying its basic parts, including cells, wires, bulbs, switches and buzzers.	Research how people used to live before electricity was invented? How did they live differently to us now?
How often are you using electrical items during the day?	Design a poster of how to stay safe with electricity.	Carry out some research on areas of the world that don't have electricity. i.e areas of Africa. How does this affect daily life?	What electrical appliances do you have at home? What might people have used as alternatives before electricity was discovered?

Art and Design

Design a car that is powered by electricity. Can you include any of the features of a circuit?	Research, design and create your own Shaduf using appropriate materials. Explain its use.	Design and make a sarcophagus with embellishments.	Design/make a piece of Egyptian jewellery.
