The topography of North America

North America is the 3rd largest continent in the world it is home to 23 officially licenced country or states. To the east is the north Atlantic Ocean and to the north is the arctic ocean and to the west is the north Pacific Ocean.

Caribbean

The Caribbean is home to many sea creatures and fish. It has over 700 islands and islets and has the coral reef deep under its ocean floor. It is located from the south east of Florida.

The Canadian shield

The Canadian shield is the largest region in Canada. This place is mostly covered in ice and Precambrian rocks. As well as covered in forests and snow. it has many lakes and cold climate causing the ground to freeze but the top part of the land is defrosted.

The mountainous west

the mountainous west is home to many animals such as many types of bird and some bears as well as some elk. This place has many rainforests, mountains and volcanoes. A lot of earthquakes happen here due to the continent being close to the meeting points of tectonic plates. This place is located to the west of the united states.

The great plain

The great plain is in the central part of the continent and is nicknamed the breadbasket because grain is grown there. The landscape there is grassland and prairie. The animals here consist of bison or buffalo and prairie dogs.

KINGFISHERS

NORTH AMERICA!

Kingfishers have been learning all about the North American continent in Geography. Check out Josh's really informative report!

KINGFISHERS

NORTH AMERICA!

Canadian shield

- The Canadian shield is all across Canada
- It is very cold here especially In the winter
- The biome is the Tundra
- The Tundra is very icy and snowy
- No plants with deep roots can be in this environment as its to cold
- In this region you will find lots of moose and caribou

Characters: Romeo, Benvolio, servant and Lord Capulet.

Lord Capulet: servant come to my aid.

Servant: as you wish your highness. How may I assist?

Lord Capulet: you need to deliver these invitations to the people on the list.

Servant: [anxiously takes the invitations and the list from lord Capulet.] but your royal highness---

Lord Capulet: [angrily shouting] Do as I wish because you are a lowly servant to my family of Capulets!

Lord Capulet walks off stage.

Servant: [calling after lord Capulet] as you wish sir!

Servant: [calls throughout Verona] help! Help! I can't read!

Romeo and Benvolio: would you like some help fine sir?

Servant: Yes please. Can you read?

Romeo: I can! Would you like me to read it?

Servant: yes please.

Romeo: [reads the invitation list then calls]

Benvolio come look at this list!

Benvolio: [reads the list then says to Romeo]

Rosaline going to the party. [then asks the servant] do you have any spare invitations kind gentleman?

Servant: [replies] yes, I do would you like them?

Benvolio and Romeo: yes please!

Servant: ok then here you are fine gentleman you can come if you are not a Montague.

Benvolio and Romeo: [decide to go.]
