- **Explained what we had discovered**

# We researched a scientist

**Tanesha Allen**  
**Zoologist**

## A SCIENTIST JUST LIKE ME

If you want to be a zoologist, you need:

- ✱ to **love animals** because you will spend a lot of time with them
- ✱ to **enjoy getting messy** because you might have to go outside in the rain and mud to set up experiments. You might also have to get samples from animals (like urine and blood)
- ✱ to **be creative** so you can come up with new questions
