

# ACHIEVEMENT ASSEMBLY!

**FRIDAY 11<sup>th</sup> JUNE 2021**

# SUMMMER IS HERE!

**-It has been lovely to see lots of you getting involved in outdoor sports!**

**-The climbing frame is back in use!**

**-Thank you to FODs for today's Ice Lolly Sale! More for sale after school!**

# EURO 2021

**The Euros begin this evening. Miss Matthews has organised a school sweepstake for the Euros tournament! Good luck everybody!**

# DUCKLINGS!

**The Ducklings were visited this week by Essex Fire Services. The children learnt all about the people in the emergency services who help us.**

# DUCKLINGS!

**Fireman Eridean and Fireman Hector even got to try on the protective uniform!**

# DUCKKLINGS!

**CHILDREN WHO MADE IT TO GOLD!**

**Peniame**

**Reya**

**Maggie**

**Jenson**

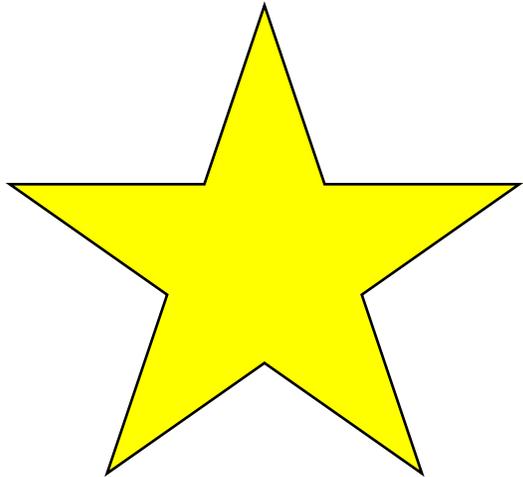

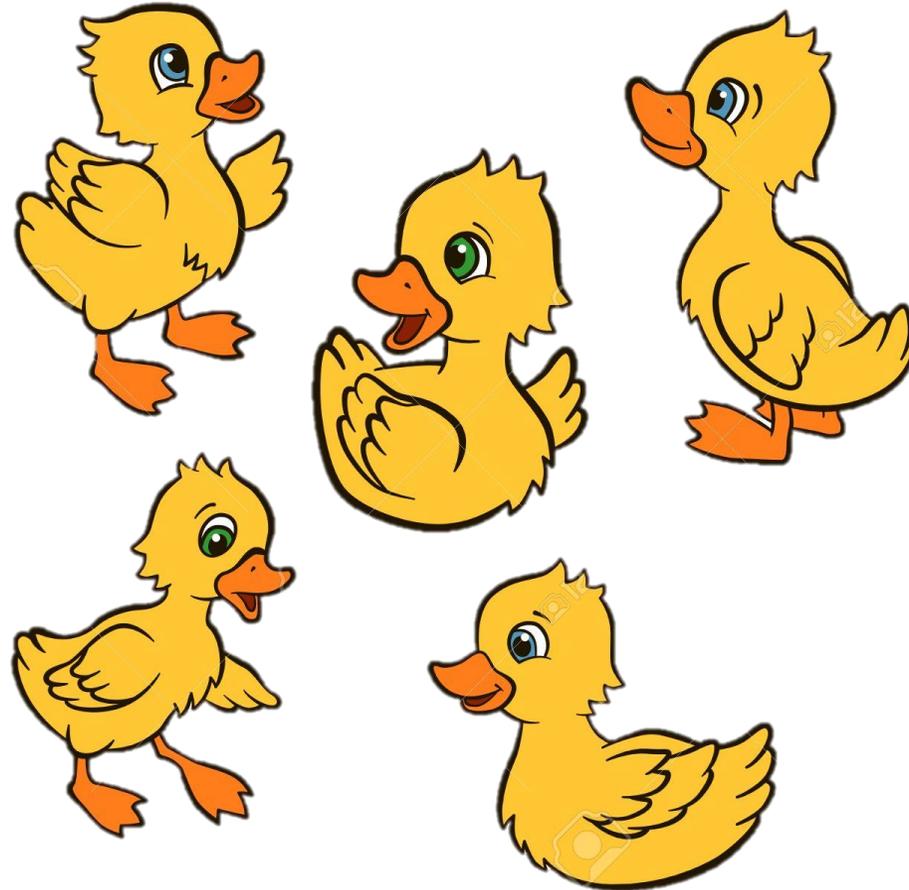

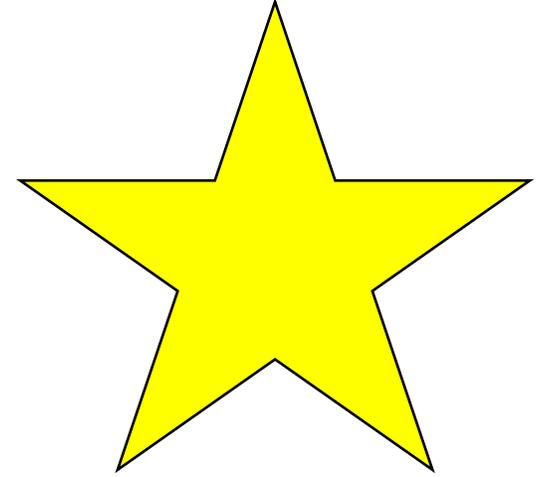

**Hector**

**Mya**

**Jacob**

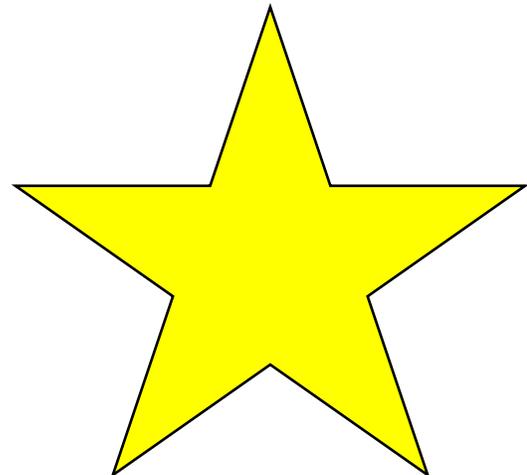

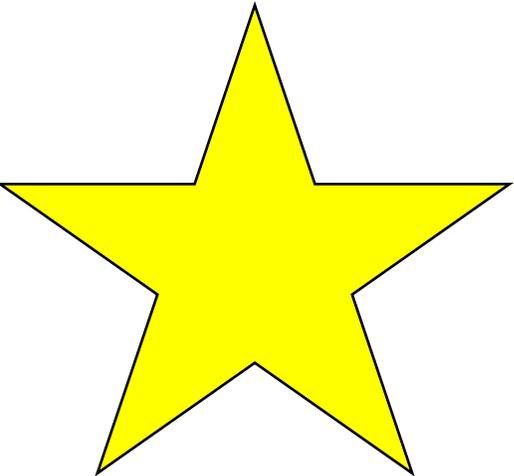

**Rayna**

AND OUR STAR OF THE  
WEEK IS...

**CONGRATULATIONS...**

**MYA!**

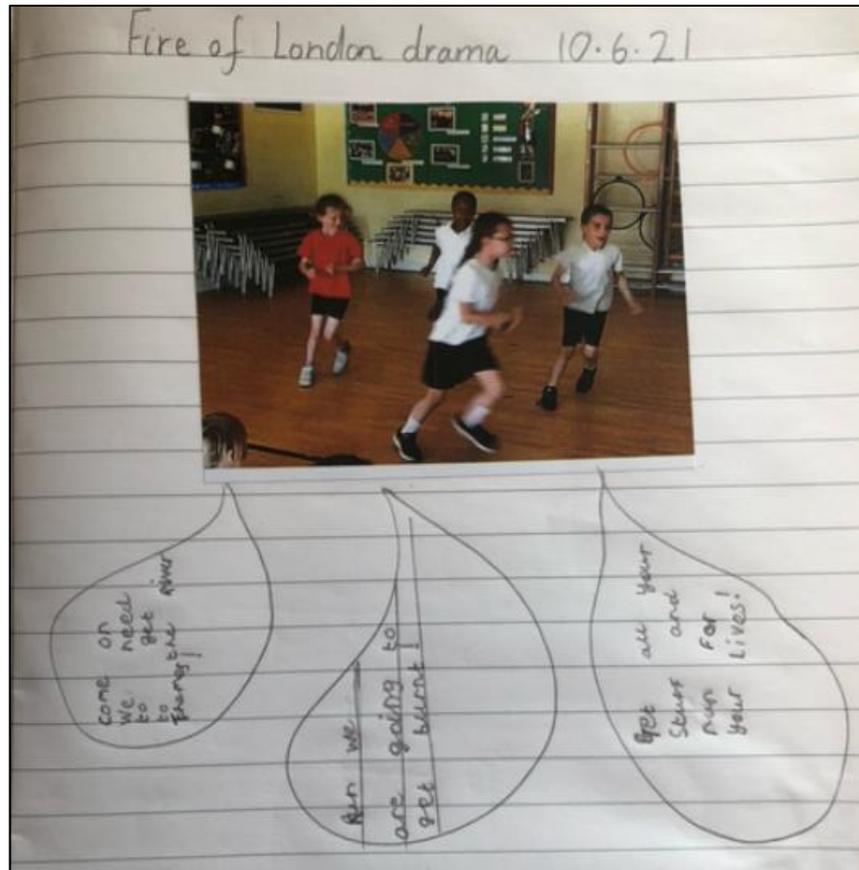

# MINNOWS GREAT FIRE OF LONDON

Asma and her group doing a drama-based activity in which they escaped from the fire!

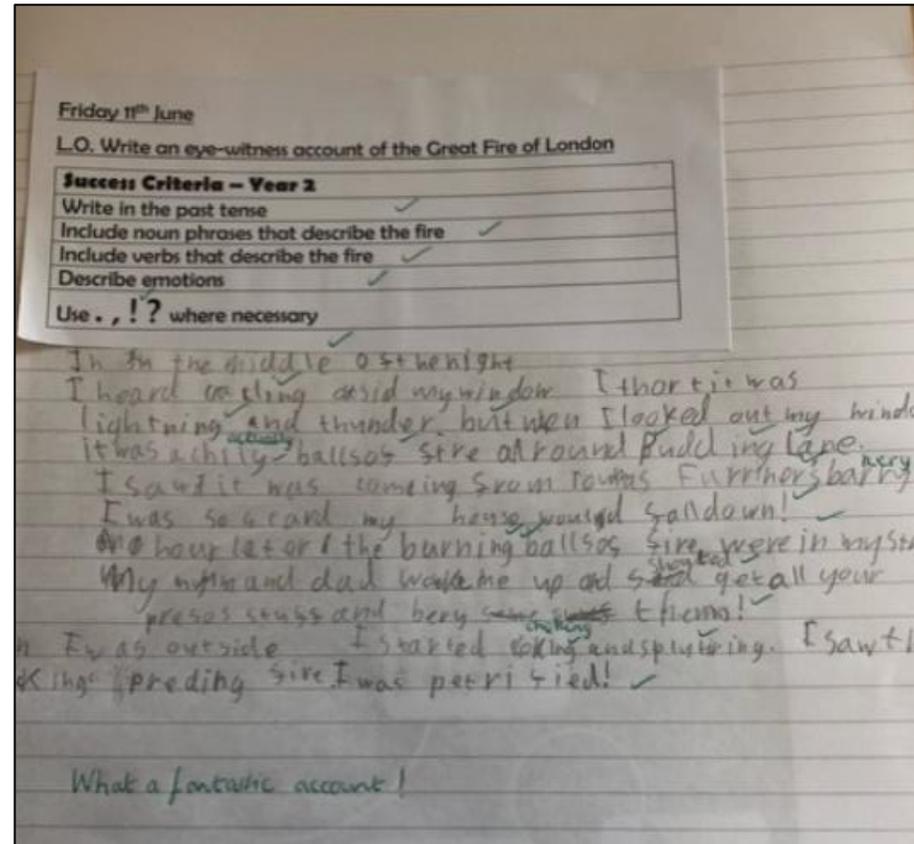

# MINNOWS GREAT FIRE OF LONDON

Rocco storyboarded  
the events of the  
Great Fire of  
London.  
Well done Rocco!

# MINNOWS GREAT FIRE OF LONDON

Anabelle and Elora's Great Fire of London Diary Entries!

**Rafe**

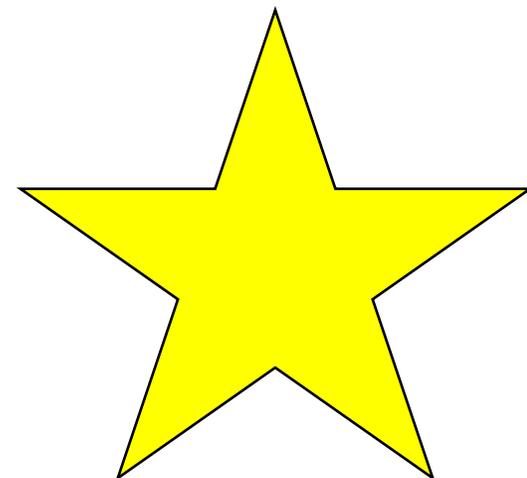

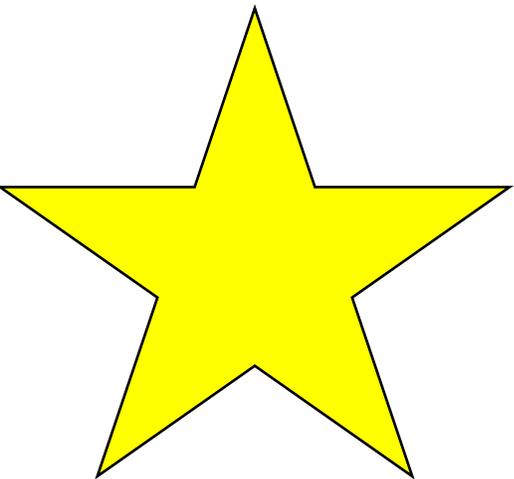

# AND THE STAR OF THE WEEK IS...

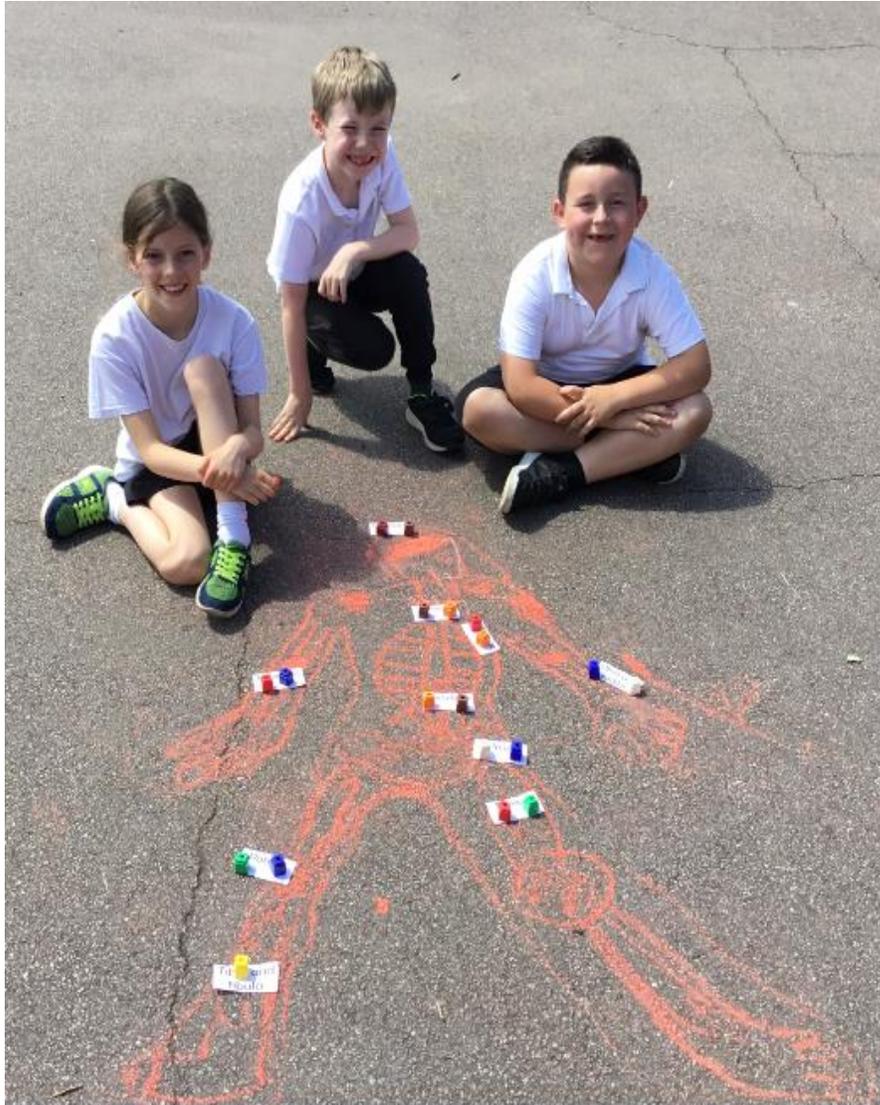

**CONGRATULATIONS...**

**ANASTASIA and**

**EVIE!**

# FROGS

**In science, the Frogs have been getting outside and enjoying the nice weather! They were finding and naming the different bones in our bodies.**

# FROGS

**The heat  
all got a  
bit too  
much for  
poor  
Henry!**

# FROGS

## Multiplication Blitz!

A big well done to Tilly and to Cameron, who have both been practicing their times tables. Cameron improved his score from 16 to 22, and Tilly improved her score from 13 to a whopping 24 (out of 25). Remember to practice, practice, practice over the next week, Year 4 and Year 5!

A screenshot of a digital multiplication quiz interface. At the top, there is a 'MAIN MENU' button, the title 'Multiplication Tables Check' in red, and a 'Time left: 5' timer. The main area displays the equation '3 x 9 =' followed by a blue square input box. Below the equation is a numeric keypad with buttons for digits 1-9, 0, and an 'ENTER' button. A 'Time allowed: 6 seconds' and 'Tables selected: All' box is visible in the bottom left. The bottom of the screen shows 'Question 1 of 25' in red and the 'MATHSFRAME.co.uk' logo.

MAIN MENU **Multiplication Tables Check** Time left: 5

3 x 9 =

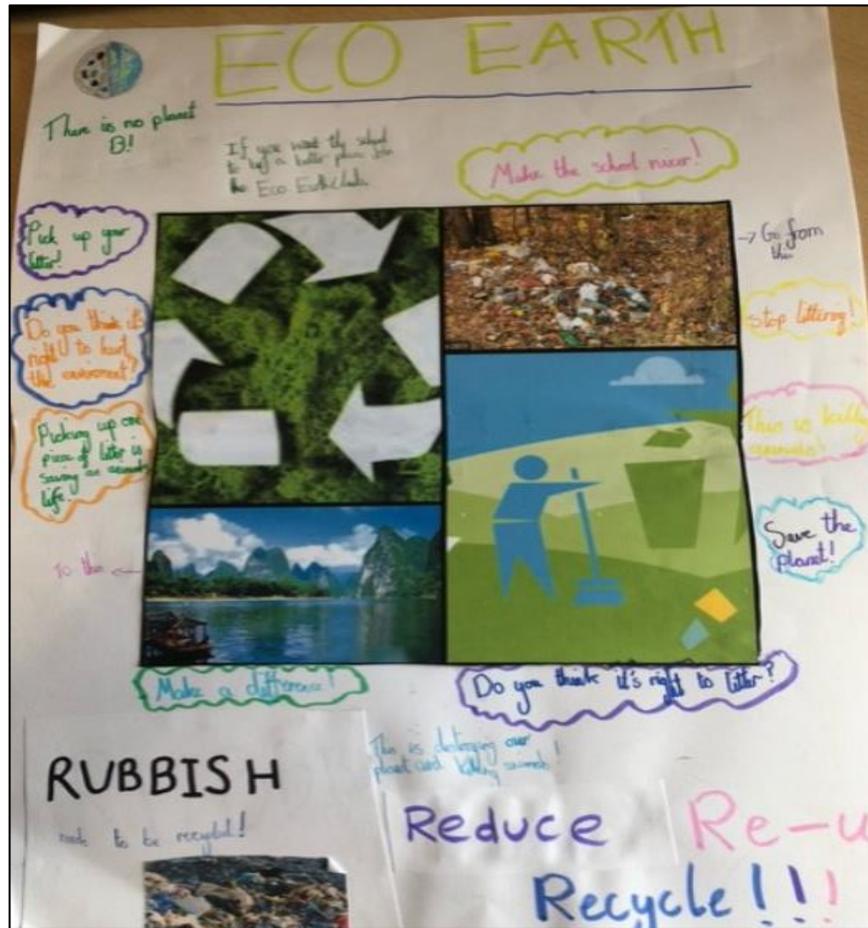

1	2	3
4	5	6
7	8	9
<input type="text"/>	0	ENTER

Time allowed: 6 seconds  
Tables selected: All

# ECO HEROES!

Chloe, Tilly and Belle

# ECO HEROES!

Chloe, Tilly and Belle

JOIN THE **ECO EARTH CLUB...**  
...BECAUSE THERE IS **NO PLANET B**

**THERE IS NO PLANET B**

You are NEVER too small to make a difference

**Our Mission:**  
As a club, we are going to start improving the way we live, reduce how much we waste, and look after this precious planet. We need to change the way we are thinking.

**What are we doing?**  
We are going to start by cleaning up the playground with a litter picking team, and we need your help! By getting involved you will be helping animals, earth and the environment we live in. The school are helping by providing bin bags and gloves. Thank you!

**Here are some of our top tips:**

- Try to walk to most places instead of getting in your car
- **Reduce, re-use, re-cycle**
- If you like this club, there is lots more you can do...
- Why not continue litter picking at home? Make sure when you buy something that you can re-use or re-cycle it
- There is no need to use plastic bags, how about bringing a re-usable bag from home?

**WE NEED YOU**

**How can you get involved?**  
Meet at lunchtime and bring a friend. Please talk to Tilly, Chloe, Lily or Belle in Frogs Class and they can give you more information. You will need to stay in your bubbles for now, but we can't wait to get together.

Eco Earth

The school has put together a club to help the school and we will be picking up trash in the school with gloves and bin-bags.

Time

The time of the event will be lunch time and also the classes will go on different days except on Friday everyone can join when there is a time for different classes to litter pick

Days the classes litter pick

Ducklings = Tuesday  
Minnows = Wednesday  
Frogs = Thursday  
Kingsfishers = Monday

can you join to help the world because fish and other animals are killed by what we do.
