Charlie and the Chocolate Factory

Characters:
Willy Wonka,
Charlie Bucket,
Grandpa Joe,
Grandma Josephine,
Grandpa George,
Grandma Georgina,
Mr. Bucket,
Mrs. Bucket,
Violet Beauregard,
Veruca Salt,
Mike Teavee,
Augustus Gloop

My Opinion:
When I read the book I understood how Charlie felt and I felt so touched when I was reading. I liked that but because it was sending us a lesson to be kind and loving and if you do that you will make other people happy including yourself.

What happened in the story:
Charlie is a boy who lives with grandparents and parents, he is not that wealthy though he is very kind and generous. One day Willy Wonka said in the newspaper that there are five golden tickets hidden in his Willy Wonka bars and five children are to find one and one of them is Charlie.

My Rating is
5 smile faces

Uttlesford School Sports Partnership Challenge

Date: Monday 1st February – Sunday 14th February 2021

'Around the World' Challenge

For this week's challenge you will need two pairs of socks rolled up together into a ball, and someone to time you for 30 seconds.

Keep your feet on the ground all the time. Hold the sock ball in one hand and take it:

1. Around one leg
2. Around the other leg
3. Around your waist

This counts as ONE 'around the world'. You will need to switch hands as you change legs and take it around your waist – you can switch hands whenever you want to.

How many times can you take the sock ball 'around the world' (around one leg, the other leg and your waist) in 30 seconds?

Please watch the video before attempting the challenge!

<https://www.youtube.com/watch?v=aZXiOXpgfNM>

Send through the following details to jcoleman@swchs.net to enter:

1. Name
2. School
3. Gender
4. Year Group
5. Score (number of times you've completed it in 30 seconds)

Best of luck!
