

ACHIEVEMENT ASSEMBLY!

FRIDAY 16th APRIL 2021

Prince Philip, the Duke of Edinburgh and the Queen's husband, has died. Buckingham Palace released a statement saying he passed away peacefully at Windsor Castle.

Prince Philip's Life

- Prince Philip was born in 1921 on the Greek Island of Corfu.
- His family were royals but they were banished from Greece when Philip was one. He spent his childhood in France, Germany and the UK.
- After school, joined the Royal Navy as a cadet in 1939 just before WWII broke out.
- Five years after his wedding, his wife Princess Elizabeth became Queen Elizabeth II when her father passed away in 1952.
- He had four children, Prince Charles, Princess Anne, Prince Andrew and Prince Edward.
- Prince Philip was involved with many charities and was patron to almost 800 organisations! He cared a lot about wildlife and was the first UK president of the World Wildlife Fund.
- Prince Philip spent much of his life at the Queen's side. As her husband, he wasn't the king, but had a special job title – consort and his role was to support her throughout her reign. He holds the record for the longest-serving consort in British history.

During these years as your Queen, the support of my family has, across the generations, been beyond measure. Prince Philip is, I believe, well-known for declining compliments of any kind. But throughout he has been a constant strength and guide.

He has, quite simply, been my strength and stay all these years, and I, and his whole family, and this and many other countries, owe him a debt greater than he would ever claim, or we shall ever know.

In RE this week Minnows started to think about the wonder of nature. We used paint and pastels to create some beautiful pictures for a display.

**Nature is amazing!
Care for your world.**

Job 12: 7-10

7 "But ask the animals, and they will teach you, or the birds in the sky, and they will tell you; **8** or speak to the earth, and it will teach you, or let the fish in the sea inform you. **9** Which of all these does not know that the hand of the LORD has done this? **10** In his hand is the life of every creature and the breath of all mankind.

WE NEED YOUR HELP!

HOME RESEARCH TASK!

- Use your research skills at home to find out as much as you can about an 'inspirational person.'
- Make a poster/ fact sheet about the person who you have researched (Ideally A3, but A4 is fine).
- Bring it to Mr Hawley on Monday/ Tuesday. Prizes available for the best entries from each class!
- Your entry may also form part of our school display for the FODs fundraising trail, which is taking place on bank holiday weekend!
